GRAND KNIGHT

Welcome friends and neighbors to the 2010 Saint Patrick's Day Parade hosted by the Knights of Columbus Father Robert B. Kealey Council 3548, best in the south. Steeped in tradition, this parade has always been a community event that is looked forward to with exhilaration by young and old year after year. It is an honor to have Norfolk's Vice Mayor, Anthony Burfoot, as this year's Grand Marshall. Please join me in welcoming him to this grand event. Congratulations go out to our Princess Pat, Jessica Firestone and her attendants, Samantha Hurd and Megan McKigney. These beautiful young ladies are truly fine representatives of this parade and are the pride and joy of our Knights of Columbus Council. I hope that everyone has a wonderful experience this year and enjoys all the many entrants who together make this one of the finest Saint Patrick's Day Parades in the country.

In closing I would like to give special thanks to the Knights of Columbus Saint Patrick's Day Parade Committee, chaired by Past Grand Knight Jimmy Rogers. This committee has worked many long months planning, organizing and coordinating this event. My heartfelt thanks to you brothers and all the volunteers out in the pits working the parade; you have done a wonderful job once again.

***Have you

what
you
could do
if you
no longer
had a
mortgage
payment?***

If we could show you how to pay off your 30 year mortgage in as little as eight to ten years or less without changing your current lifestyle, would you want to know more?

Through an innovative program called the Money Merge Account, or MMA, homeowners across the nation are paying off their mortgages in a fraction of the time without refinancing their existing mortgage, without increasing minimum monthly mortgage payments, and without any lifestyle changes.

This interest reducing program combines innovative software with banking systems which have been around for decades to provide homeowners with the tools necessary to achieve the greatest time and interest savings imaginable.
